

## Lincoln Benefits from Pioneer Community Energy

- Pioneer Community Energy (Pioneer) locally-owned electric energy provider for the cities of Auburn, Colfax, Lincoln, Placerville, Rocklin, the town of Loomis, and most of unincorporated Placer and El Dorado Counties.
- Pioneer was formed to provide the communities we serve with competitive rates, reliable service and a choice in energy options.
- Pioneer began providing electricity to customers in February 2018, expanded into El Dorado County and Placerville in 2022, and currently provides electricity to more than 153,000 accounts.
