

Loomis Benefits from Pioneer Community Energy

- Pioneer Community Energy (Pioneer) locally-owned electric energy provider for the cities of Auburn, Colfax, Lincoln, Placerville, Rocklin, the town of Loomis, and most of unincorporated Placer and El Dorado Counties.
- Pioneer was formed to provide the communities we serve with competitive rates, reliable service and a choice in energy options.
- Pioneer began providing electricity to customers in February 2018, expanded into El Dorado County and Placerville in 2022, and currently provides electricity to more than 153,000 accounts.

Pioneer customers currently save up to 10.5% on electric generation
